Service to our Growing Community
that Exceeds Expectations at a Fair Value*

July
2020

ILLEGAL DUMPING

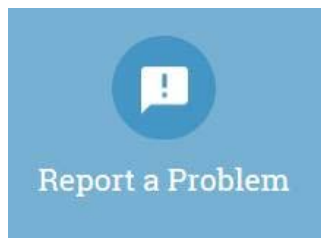

We are asking for assistance from the community to help with illegal dumping. If you come across items that were dumped on the side of the road, please contact West Valley Disposal for a pickup.

REPORTING CONCERNS

For residents new to Mountain House, or if you have not had the opportunity to view the Mountain House CSD page, we would like to share with you a very quick and easy button to report a concern in Mountain House.

Go to the mountainhousecsd.org, on the front page you will see the button that is shown below. When you click on the button, it will take you to a page where you can choose to enter in your information or not and you can report a problem. Please do not report emergency items here those should be called in to the appropriate departments but for all other items, you can enter in the location of the problem and it will be sent to a staff member to address. You will receive updates on the status of the report.

If you have questions please feel free to email or message Angel Lamb at alamb@sjgov.org.

STORAGE CONTAINERS

Pod Containers or Storage Units used by Homeowners or Residents (regardless of size, whether for moving or plain storage) should not be left out for more than 14 days on the street or in a driveway. These and any other similar type units, should be returned or stored at a commercially zoned-facility. All requests outside of this limit must be approved by MHCS D.

SCHEDULE OF MHCS D EVENTS

Board meetings and committee meetings are held in the Board Room at the CSD office. For class and event locations, please see below. If you would like additional information on the classes or events please contact Angel Lamb at alamb@sjgov.org. Please subscribe to the Google Calendar.
