## **MAINTAINING YOUR FRONT YARD TREES**

As a friendly reminder, trees located in your front yards and especially in the District Right-of-Way, are due for maintenance. As many of you might already know, these trees are the responsibility of the homeowner to maintain. Unfortunately many of these trees are in a state of deferred maintenance. In the past, MHCS D Staff published a series of articles that covered requirements and other helpful guidelines to educate our residents. Our goal was to encourage residents to become more active in maintaining their trees in the correct manner. Residents were also directed to the Mountain House Residential Design Guideline Manual (Appendix F) that provides the requirements that each resident must follow. This document can be found on the Mountain House website in addition to the Mountain House CC&Rs and Ordinances. These clear guidelines are available to assure that correct and consistent maintenance practices are established for trees growing in front yards and District right of ways. Here is a brief example:

*Appendix F section of the Mountain House Residential Design Guideline Manual*

- *Those trees that have over extended, dead and unsightly branches, shall be pruned and trimmed. Damage from wind, etc., shall be repaired.*
- *All trees shall be pruned and trimmed only as necessary to maintain their natural form. Trees shall not be topped, "hat-racked", "lolly-popped", sheared or pruned in any manner which alters the natural growth habit of the tree.*
- *Trees shall be pruned to maintain a central leader and to remove branches which form narrow crotches. Prune trees to maintain permanent scaffold branches which have a radial orientation and do not overlay one another. All suckers shall be removed from trees.*
- *All trees that are located adjacent to street and/or sidewalks shall be pruned and trimmed as necessary to maintain a height clearance of 8 ft. over sidewalks and, 12 ft. over local (inner neighborhood) streets, and 14 ft. over collector (main neighborhood) streets for vehicle and pedestrian safety.*
- *Trees shall be pruned to allow clearance for street light illumination and to train the trees to eventually rise above the top of the light fixtures.*
- *Pruning shall be completed while the tree is dormant (after leaf fall in autumn)*
- *Inspect each tree on a continuous basis for cross branches that may rub, broken branches, and damage from mowing equipment, etc.*
- *Perform "same day" clean-up of all pruned and trimmed material and dispose of this material off site.*
- *The watering of the tree, health and welfare is the responsibility of the homeowner.*

For the typical homeowner these requirements are challenging. The larger trees may be extremely dangerous for homeowners to personally perform pruning tasks safely. Deferred pruning becomes equally as dangerous. Trees that have not been pruned might lead to hazardous limb failures, become unbalanced and may blow over. Professional maintenance contractors should be called for this type of pruning.

### VASCO STATION EXPANDED TRANSIT SERVICE

Mountain House CSD in association with San Joaquin Regional Transit District (RTD) and Altamont Corridor Express (ACE) have been collaborating to expand the transit service between the Mountain House community and the Vasco Train station. Currently, there is a direct connection between Mountain House and Vasco Train station in the morning and evenings. The current stop is on Tradition Street, next to the Mountain House High School. The Mountain House Board of Directors approved additional funding to expand the service to three (3) trains in the morning, and three (3) trains in the evening. The new expanded operation will begin by October 28, 2019. Also, Mountain House Developers (MHD) will be installing a new bus shelter and bicycle racks at this location to provide amenities for the patrons. There are plenty of parking spaces available on Transition Street for our residents to park their vehicles, near the bus stop, take the transit service and get to Vasco station. From Vasco Station, you can easily travel to Tri-Valley, Fremont and San Jose, significantly cut your commute time, and commute hassle. Wait for new announcements coming soon!!

### ADOPT-A-ROAD PROGRAM

Mountain House Board of Directors approved a program to allow our residents, on a volunteer basis, to help collect trash along the streets in Mountain House and to keep our city clean. Mountain House will be joining the San Joaquin County's program, and volunteers can contact the County to get training, supplies, and support to begin the Adopt-a-Road program. The program will allow our residents to adopt a roadway segment and to help clean up trash and debris along the selected roadways. A roadway sign will be posted to acknowledge the efforts of the volunteers and the community members. Instructions will be posted on the Mountain House web site with additional information for our residents. Please check our web site for more information!!

### GAME OF TIARAS

Mountain House High School Drama department is putting on another of its great productions, The Game of Tiaras, coming this fall. In a very comical spoof of The Game of Thrones, some popular, definitely, non-copyrighted Disney princesses, fight for the throne and find out who is the best at playing the "game". Come watch a diverse and funny array of characters, and enjoy an evening watching this hilarious show. The Game of Tiaras! Show Dates are November 15<sup>th</sup>, 16<sup>th</sup> at 7pm and November 17<sup>th</sup> at 2pm. Tickets go on sale October 1<sup>st</sup> on the MHHS website. Ticket prices are \$10 for adults and \$5 for children and seniors. Reserve your seats!

### LEAF SEASON

West Valley Disposal will be providing extra pickups during Leaf Season, November 10, 2019 through January 11, 2019. The Yard Waste cart may be placed at the curb (on the regular collection day) weekly during this time.

- Please make sure all leaves are inside the Yard Waste cart.
- Any additional leaves beyond the capacity of the brown cart should be saved until the following week.
- Do not pile leaves in the street.
- Do not put plastic bags in the brown cart.
- Christmas trees may be placed next to the Yard Waste cart for collection during this period.

For additional information please contact West Valley Disposal at 209-835-3639 or refer to their website at [www.westvalleydisposal.com](http://www.westvalleydisposal.com).

### POLITICAL SIGNAGE

Elections are soon. We would like to remind everyone that per the resolution approving our Master Restrictions (page 8) with regards to political signs:

"Temporary posting of political signs not exceeding three (3) square feet may be located in the front yard of any improved lot or in the window of any project unit. Such signs may be erected thirty (30) days prior to any appropriate political election and must be removed twenty-four (24) hours after the political election."
