V. Our take away is that there are a lot of programs we can use right now to help ourselves while public transportation is catching up to Mountain House. I'm encouraging our residents to sign up on <https://mycommuteconnection.com> and get connected to others trying to form van pools or start your own. Vans are rented from a provider (Enterprise) and come in 7/10/16 PAX sizes. We're looking into the estimated cost and have been given several leads on grants or incentives to keep that down for our riders. These are not mutually exclusive. That means we are only limited to the initiative of our riders. Commute Connections offers a \$200 voucher, RTD will be online in NOV with another one, the air

Note: If you need disability-related modification or accommodation in order to participate in this meeting, please contact the Secretary of the Board of Directors at (209) 831-2300 at least 48 hours prior to the start of the meeting. Government Code Section 54954.2 (a).

quality district has these available and every county that the vans go to have programs. If you add all of those up that goes a long way toward bringing the costs down. There's a little work and reporting to do but we see gains in our community when the metrics show we're interested. Everyone likes to support success.

VI. Adjournment: Adjourned SEP 7 at 8:35 PM, MHCSD. The next meeting will be TBA pending community interest in the committee.
